Pou-what?

POUTTINE • noun [U] • /Pu:-Ti:n /

Fries + Gravy + Cheese Curds = Poutine

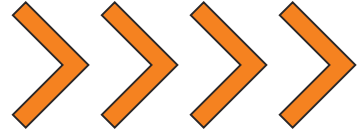

An equation made in comfort food heaven, that has led this dish to be a cultural icon in Canada.

Rocking up tummies since its invention in 1950s, Poutine is also rightfully known as “DISCO FRIES” in some countries. Well, it does make us dance...

We bring you a veg version of the dish, with gravies from different cuisines of the world.
